Submitted to the Government.

2. In the circumstances reported by the Collector, the Board recommends that a prospecting licence for red oxide, ~~of iron~~ manganese and red ochre over an extent of 1100 acres in Murarpura Kandivi of Muraurpur village, Sandur Taluk may be granted to Sri K. Narayanaiah of Bellary for a period of one year subject to the special conditions proposed by the Collector.

3. The Board also requests that the applicant may be directe to deposit security as prescribed in Rule 19 of the Mineral Concession Rules, 1949, before the issue of the licence, if the Government decide to grant it.

To the Secretary to Government, Development Department , Madras (with application, chalan and sketch to be returned).

Copy of the Collector of Bellary, No.C.4541/50-A.I, dated 17-8-50.

Sub:- Mining- Prospecting Licence-Sandur merged area-Murarpur village- Murarpura Kandivi extent about 1200 acres- Application of Sri K. Narayanaiah of Bellary-Submitted.

Sri K. Narayanaiah of Bellary Town has applied for the grant of a prospecting licence for a period of one year to prospect for and mine (1) Red oxide (2) Managanese and (3) red ochre over an extent of about 1200 acres in Murarpura Kandivi of Murarpur village of Sandur merged area now forming part of Sandur taluk. The area applie for is not occupied by any other person and is situated in the State Forest at the disposal of the Government. The application is in order and is in accordance with Rule 14 of the Mineral Concession Rules, 1949. The Government in their memorandum No.158, Development, dated 18-3-50 communicated in Board's L.Dis.L.2020/50, dated 1-4-50 have renewed the certificate of approval to the applicant for the year 1950. The applicant has also credited the requisite fee of Rs.60/- in chalan No.1544, dated 21-3-50. In the Bellary Sub-Treasur as required by Rule 15 of the above mentioned Rules.

2. The Special Officer, Sandur, recommends that the Prospecting Licence applied for by the applicant may be granted as it is bona-fide. The Forest Range Officer Sandur, reports that the area in question does not contain any considerable valuable growth and the growth is mainly of scrub type. The District Forest Officer, Bellary also has no objection to the grant of the P.L.

3. In the circumstances, I recommend that the prospecting licence to prospect for and mine the three minerals mentioned above may be granted to the applicant for a period of one year subject to the general conditions laid down in Rule 23(I) and the following special conditions as enumerated in rule 23(2) of the Mineral Concession Rules, 1949.

(i) The licensee shall pay half yearly dead rent and royalty due to Government in any of the Sub-Treasuries in the District.

(ii) The licensee shall pay amount equal to the annual dead rent or royalty as compensation for damage to land covered by the licence;

(iii) The licensee shall execute an indemnity bond agreeing to pay claims of a third party for any damage, injury or disturbance caused to hi by the licensee;

(iv) The licensee shall not fell any trees on unoccupied reserved o unreserved Govt. land without the previous permission of the Collector and if he so fells any trees without the necessary permission he shall pay the value of trees together with a compounding fee as fixed by the Collector o the Dt. Forest Officer subject to a maximum of ten time the value of trees

(v) The licensee shall not carry on his prospecting operations in an area prohibited by any competent authority such as lying out of roads, erect buildings, machinery etc. without the permission of such competent authority.

(vi) the licensee shall not carry out any operations to the detriment of the Reserve Forest and if he does so he shall pay necessary compen sation as fixed by the officers of the Forest Dept.

(vii) the licensee shall enter the area granted to him without detriment to the interest of the remaining portion of the Reserve Forest.

(viii) the licensee shall deliver the possession of lands and mines on the expiry of the licence and the Government shall have the right to forfeit the property left after such termination of determination of the licence; and

(ix) The Government shall have absolute right to take possession of the plant, machinery and premises in the event of war or other emergencies

4. I submit that a prospecting fee of Rs.0-4-0 per acre of the land covered by the licence may be fixed for each year or a portion of a year of the period of which the licence is granted.

5. The application, chalan for Rs.60/- a copy of District Forest Officer's report with its enclosure and a sketch showing the area applied for are enclosed.

Copy of the Collector, Bellary, Rc.No.4541/50-A.I, dated 13-10-50.

Ref:- L.Dis L.5676/50, dated 31-8-50 from the Board of Revenue.

I enclose a fresh application in the prescribed form duly filled in by the applicant, along with his original application, chalan for Rs.60/- and a sketch.

Copy of the Collector, Bellary, Rc.No.4541-/50-A.I, dated 24-12-50.

Ref.L.7041/50-1, dated 31-10-1950 from the Board of Revenue.

The correct extent of the plot applied for by Sri K.Narayana yya for the grant of the prospecting licence is only 1100 acres, and not 1200 acres as reported in this office reference mentioned above. The acres of the north-east and south-west blocks are about 900 and 200 acres respectively, thus making the total extent to 1100 acres.

Ref:- From the Board of Revenue Ref.No.L.7041/50-3, dated 4-1-51.

It is observed from the sketch forwarded to Government that area applied for on P.L. comprises two plots of 900 and 200 acres separate in between by the Murarpur Jagir. The Collector of Bellary is requested to State whether the two plots are not contignous and if they are not contignous to obtain and forward separate applictions together with fees for each of the plots, treating the present appliction as having been made for one such plot.

The two plots measuring 900 and 200 acres originally applied for by Sri K. Narayanaiah, Bellary, for the grant of a prospecting licence, are independent plots and are not contignous. The applicant has since submitted two separate applications for the revised extents comprising 700 and 400 acres respectively thus limiting himself to the original extent of 1100 acres. The Special Officer, Sandur reports that both the plots with the revised extents are at the disposal of the Government and are situated in the State Forest with very poor tree growth.

The two applications, the chalan for Rs.50/. and two sketches received from the applicant are enclosed.

The area applied for is reported to be situated in a State Forest with very poor tree growth. The Forest Deptt. have no objection to the grant of the licence. The Collector has therefore recommended the grant of the licence subject to the imposition of the special conditions referred to as 'A' on p2cf. These conditions have already been standardised by Govt. and they may be accepted. As the area is situated in a forest, the usual conditions relating to forests may also be imposed. The condition at (IV) on p2cf may also be retained as a measure of caution.
